## MISSION OF HOPE CONTRIBUTION

The Parish Council and parishioners of Saint Joseph's Church have requested that the profits realized from the Christmas Bazaar and the Minerva Day Food Booth in 2009 be given to the North Country Mission of Hope to construct a home for a needy family in Nicaragua. Many people, because of their poverty, are forced to live in homes made from cardboard and tar paper. Sister Debbie Blow, Director of the Mission, thanked the parish and promised that it will be built in February. When he joins the mission group at that time, Father Sturtz will bless the home. A group picture of parishioners of Saint Joseph's that was taken at Christmas will be presented to the Nicaraguan family to remind them to pray for their benefactors. The picture can be seen on our web site under "News from Our Parishes."

## ADULT EDUCATION PROGRAM

Beginning this coming Monday, January 11<sup>th</sup>, at 5:00pm in the Parish Center at Our Lady of Lourdes Church a special program will be inaugurated to continue into the Easter season. It consists of a DVD series entitled, **Emmanuel: the Divinity of Jesus**. In it Father Robert Spitzer, S.J. makes a convincing argument for the divinity of Jesus. With an apologia based on four central premises: Jesus' Resurrection, His miracles, His words, and the out-pouring of the Holy Spirit in history Father Spitzer shows how well-founded the divine nature of Christ really is. In the end he claims, "We can know through historical research and scientific method, better than ever, that Jesus Christ is Lord". David Tart, the Director of Adult Education, who will conduct the program, says that it is an excellent apologetics tool to help one better understand and defend the divinity of the Lord. As an added feature homemade soup and other food items will be served.
